PREFACE

Praise be to Allah, SWT., the cherisher and sustainer of the worlds; God who has been giving His blessing and mercy to the writer to complete the book entitled Be Familiar with English in Focus 1.

Be Familiar with English in Focus 1 is an English textbook for foreign students and young learners in school. The necessity of English as one of the foreign languages studied in Indonesian schools, brings this book forward.

The writer has made an effort to develop the students' understanding in English use through this book. The content of this book is integrated in the four language skills, i.e. listening, speaking, reading, and writing. It aims to build their language, discourse, explore the various strategic competences, create and comprehend their skills in English language. All the components help foreign students and young learners to understand English and use it as the media of communication.

This book also presents activities that are closely familiar to the students. The activities will explore their creativity and encourage them to use their language skills in English.

Moreover, the writer would like to thank her husband in order to his best guidance to write a quality content of this book; her parents to show the best way to pray and support. Her beloved children, QA and QQ for their inspiration. Last but not least, the writers are very grateful to all people who have helped and given their input, support, and encouragement.

Finally, the writer realizes there are unintended errors in writing this book. She really allows all readers to give their suggestion to improve its content in order to be made as one of the good examples for the next book.

Hopefully, this book will help the foreign students, young learners, all the readers, and the users to learn English in communicative way.

ANSWER KEY FOR LISTENING SECTION

UNIT 13

13.1.1. I LOVE YOU SO

I pray to God
My heart, soul, and body
Every single day of my life
With every breath I solemnly promise
To try to live my life for you

O Allah, You did revive my soul
And shone Your light into my heart
So pleasing You is now my only goal
Oh I love You so
I love You so (I love You so)

[Chorus:]

Now I know how it's like
To have a precious love in my life
Now I know how it feels
To finally be at peace inside
I wish that everybody knew
How amazing it feels to love You
I wish that everyone could see
How Your love has set me free
Set me free and made me strong
O Allah, I'm forever grateful to You
Whatever I say could never be enough
You gave me strength to overcome my uncertainties
And stand firm against all the odds

You are the one who did revive my soul
You shone Your light into my heart
So pleasing You is now my only goal
Oh I love You so
I love You so (I love You so)

[Chorus]

My love, my life, my days, my nights, my wealth, my prayers – all
for You [x2]

And I swear that I will never put anyone or anything before You
My love, my life, my days, my nights, my wealth, my prayers – all
for You

[Chorus]

13.1.2. SAVE THE DAY

Tied to the tracks and I hear you call
Your voice is shaking
The train is coming faster than you thought
And there's no escaping it
And you think that you know
How the end of the story goes
That's a page I rewrote
And I'm taking away the ropes
There's more hope than you'll ever know
So keep breathing
I said that I'll always be there
Now I mean it more than ever before
There's a future worth fighting for
So don't be scared
I know how you must be feeling
No one to help you carry the pain
I'm coming to save the day
Hands of the clock
Are standing still
But your heart is racing
You're losing your grip on the windowsill
Pulled down by the weight of it
And you pray for relief
As you lie on the bathroom floor
As you wait
You can see

There's a light underneath the door
This is the day you've been waiting for
So keep breathing
I said that I'll always be there
Now I mean it more than ever before
There's a future worth fighting for
So don't be scared
I know how you must be feeling
No one to help you carry the pain
We're finally breaking
Into the daylight
Feel the warmth of the sun
I will stand by your side
Till your fear passes on
So just look in my eyes
Baby, try to hold on
And you'll find
It won't be long
So keep breathing
I said that I'll always be there
Now I mean it more than ever before
There's a future worth fighting for
So don't be scared
I know how you must be feeling
No one to help you carry the pain
I'm coming to save the day, yeah
Comin' to save the day
(There's a future worth fighting for)
Don't be scared

I know how you must be feeling
You know that it won't be long
No one to help you carry the pain
It won't be long
Tied to the tracks and I hear you call
Your voice is shaking
