

# FOX and Grapes

Redesign By. Dini Irawati

**One afternoon a fox was walking through the forest and spotted a bunch of grapes hanging from over a lofty branch.**

**gencraft**

**“Just the thing to  
quench my  
thirst,” he  
thought.**

**Taking a few steps back, the fox jumped and just missed the hanging grapes. Again the fox took a few paces back and tried to reach them but still failed.**

Taking a few steps back, the fox jumped and just missed the hanging grapes. Again the fox took a few paces back and tried to reach them but still failed.

Moral Message: It's easy to despise what you cannot have. Nothing comes easy without a hard work. So, Work Hard and reach your goals.
